

# Salmon Bay Aquatics – Registration Form 2007-2008 “Blue Ribbon” group\*

\* This program runs from September 17 – mid June. Payments are monthly and are required only for the months you swim, due at the beginning of the month. Once payment is paid, there are no refunds, regardless of how many practices you attend. There are approximately 12 practices per month. If more than 3 practices are cancelled in a given month, the training fee will be pro-rated at \$5 per practice. At the end of each month, you have the option to remain in the Blue Ribbon group or join the Bronze group (or whichever group you qualify for based on a technique/endurance evaluation).
